INFORMATION:

Committee members will view J. Muzacz's revised design and consider approval or suggest changes

J. Muzacz has revised the mural design to focus on:

- Adding more faces
- Making some faces smaller (though the pixelation technique he is using does limit how small he can make faces)
- Removing the library mascot figures & water tower
- Adding more locally significant backgrounds (i.e. books, Texas foliage)

If approved by the committee, the design will be placed on Council's agenda for final approval.
